**Resolution:-** The Board confirmed the minutes of meeting

**Item No.2:-** Action Taken Report on the Minutes of the 1<sup>st</sup> Meeting of the Governing Body of the Society of IIIT Lucknow

**Resolution:-** The Board took note of the action taken report.

**Item No.3:-** Status on starting of Academic Session of the Institute.

A meeting was held on 2<sup>nd</sup> January, 2015 between Shri Sanjiv Mittal, Principal Secretary, Technical Education, Govt. of U.P. and Director of IIIT Allahabad. Points discussed during the meeting is given below:-

- (i) Clarification should be sought from the MHRD regarding the status of the newly formed Institute, especially, through which authority the new Institute will grant degrees, whether it is a Deemed University and if so, whether UGC 2010 Regulations are applicable. It was also observed in the meeting that the new Institute should have IIT-like governance structure, instead of UGC mandate governance structure (UGC 2010 Regulations).
- (ii) Effort should be made to admit the first batch of students and start classes from July, 2015. The admission will be made based on central counseling of candidates who qualify in JEE (mains). The reservation policies applicable to centrally Funded Technical Institutes will also be applicable for IIIT Lucknow. To begin with, a batch of 60 students will be admitted in the stream B. Tech (I.T.)
- (iii) IIIT, Lucknow will have to get itself registered with the central counseling board and availability of seat have to be informed. IIIT Allahabad will assist in this process. IIIT Allahabad will assist in the formulation of the curriculum.
- (iv) Ideally, the new Institute should start in its own premises (albeit temporary) with its own teaching faculty. However, locating a temporary campus as well as recruiting seed faculty will take some time. Till then, at least for the first batch, IIIT Allahabad was requested to host the IIIT Lucknow students in its own premises and teach them making use of IIIT Allahabad faculty.
- (v) The IIIT Allahabad members in the meeting pointed out that taking care of another 60 students in IT will prove to be very difficult to manage for IIIT Allahabad if its current commitment of 90 students per batch continues for the Amethi campus. If IIIT Allahabad is required to take care of IIIT Lucknow intakes, then the MHRD should be requested to permit reducing the Amethi campus intakes of IIIT Allahabad suitably. Sri Mittal also raised the issue of compensating IIIT Allahabad from the tuition funds IIIT Lucknow till the time the former teaches the students of the latter.

**Resolution:-** It was informed that all issues pertaining to establishment of IIIT, Lucknow including grant of degree will be decided in the next meeting of IIIT Council. The Board approved the intake of 50 students in B.Tech (IT). It was decided that the mentor institute (IIIT Allahabad) will take necessary action on registration of IIIT, Lucknow with the Central Counseling Board. The necessary inputs and the seat matrix etc. would be provided to IIIT, Allahabad. The Board approved that the fee structure of IIIT Guwahati would be adopted by IIIT, Lucknow. Director, IIIT, Allahabad may take up the issue of intake of the IIIT, Amethi campus with MHRD. The compensation to the Institute would be provided based on well established norms of mentoring institutions as in case of IITs.
