Director's message

It was during this period 2015-16 Prof. Somenath Biswas was the Mentor Director in his capacity as the then Director of IIIT Allahabad. However, since the first set of annual reports for 2015-16, 2016-17 and 2017-18 are being submitted together (being the first time), I am pleased to write the message for the period of 2015-16 on behalf of Prof Somenath Biswas. I am sure he would have expressed the pride in commencing an IIIT (in PPP Mode) meant to cover Lucknow region of Uttar Pradesh, a very big state in India and he would have happily stated that the state of Uttar Pradesh has been benefited to have one more IIIT in addition to IIIT Allahabad.

It is good that the Sprouting IIIT Lucknow (PPP) has been receiving the mentoring care by IIIT Allahabad and during the period it was comfortably accommodated in the campus of IIIT Allahabad. Therefore IIITL owes its thanks to IIIT Allahabad. Having derived the initial impetus from a very decently performing IIIT Allahabad, the targets set by the IIIT-L are naturally high and it is very certain that IIIT-L has been marching in the right direction right from the year of very inception.

Aide Memoire of the meeting for development of IIIT Lucknow.

A meeting was held to discuss the steps to be taken for the development of IIIT Lucknow in the office of the Director, IIIT Allahabad on 2 January, 2015. The meeting was attended by:

1. Sri Sanjiv Mittal, Principal Secretary, Technical Education, Govt. of Uttar Pradesh
2. Prof. Somenath Biswas, Director, IIIT Allahabad
3. The US to Sri Mittal,
4. Prof. G C Nandi, Dean(A), IIIT Allahabad
5. Prof. U S Tiwari, Dean(IRP), IIIT Allahabad
6. Prof. S Sanyal, Dean(FA), IIIT Allahabad
7. Prof. O P Vyas, Dean(R&D), IIIT Allahabad
8. Dr. Asheesh Kumar, Deputy Registrar (A), IIIT Allahabad

At the outset Sri Mittal apprised the members of the fact that the Uttar Pradesh Govt. has allocated 50 acres of land in a very convenient location in Lucknow for IIIT Lucknow. He further informed the members of the state of finances that are available or could be made available for developing the infrastructure of IIIT Lucknow. Thereafter, the meeting discussed the modalities for the development of IIIT Lucknow. The following points emerged as a result of the discussions:

- a) Selection of the Chairman, Board of Governors should be completed as soon as possible.
- b) The regular Board of Governors should get constituted after the selection of the Chairman.
- c) Statutes / Recruitment and Service Rules need to be framed for IIIT Lucknow. However, since framing these will take some time, the Board may like to adopt IIT Kanpur Statutes and Recruitment and Service Rules for the interim period.
- d) Clarification should be sought from the MHRD regarding the status of the newly formed Institute, especially, through which authority the new Institute will grant degrees, whether it is a Deemed University and if so, whether UGC 2010 Regulations are applicable. It was also observed in the meeting that the new Institute should have IIT-like governance structure, instead of UGC mandated governance structure (UGC 2010 Regulations).
- e) Effort should be made to admit the first batch of students and start classes from July 2015. The admissions will be made based on central counseling of candidates who qualify in JEE (mains). The reservation policies applicable to Centrally Funded

Technical Institutes will also be applicable for IIIT Lucknow. To begin with, a batch of 60 students will be admitted in the stream B. Tech. (IT).

- f) IIIT Lucknow will have to get itself registered with the central counseling board and the availability of seats will have to be informed. IIIT Allahabad will assist in this process. IIIT Allahabad will assist in the formulation of the curriculum.
- g) Ideally, the new Institute should start in its own premises (albeit temporary) with its own teaching faculty. However, locating a temporary campus as well as recruiting seed faculty will take some time. Till then, at least for the first batch, IIIT Allahabad was requested to host the IIIT Lucknow students in its own premises and teach them making use of IIIT Allahabad faculty.
- h) The IIIT Allahabad members in the meeting pointed out that taking care of another 60 students in IT will prove to be very difficult to manage for IIIT Allahabad if its current commitment of 90 students per batch continues for the Amethi campus. If IIIT Allahabad is required to take care of IIIT Lucknow intakes, then the MHRD should be requested to permit reducing the Amethi campus intakes of IIIT Allahabad suitably. Sri Mittal also raised the issue of compensating IIIT Allahabad from the tuition funds IIIT Lucknow till the time the former teaches the students of the latter.
- i) IIIT Allahabad requested Sri Mittal to provide one finance officer and one purchase officer (possibly on deputation) who can look after finance and purchase work of IIIT Lucknow, as IIIT Allahabad has severe shortage of staff, especially in finance and purchase.

Sr. No.	Decisions taken by the Governing Body on the agenda points in the 2nd meeting	Action Taken
1.	The Board confirmed the minutes of the 1 st meeting of the IIIT, Lucknow Society held on 3.11.2014	No action required
2.	The Board took note of the action taken report on the decisions of the 1 st meeting of the IIIT, Lucknow Society held on 3.11.2014	No action required
3.	<p>Regarding start of the Academic Session of the Institute, a meeting was held on 2nd January 2015 between ShriSanjeev Mittal, Principal Secretary, Technical Education, Govt. of U.P. and Director of IIIT Allahabad. Following points were discussed in the meeting.</p> <p>(i). Clarifications should be sought from the MHRD regarding the status of the newly formed Institute, especially, through which authority the new Institute will grant degrees, whether it is a Deemed University and if so, whether UGC 2010 Regulations are applicable. It was also observed in the meeting that the new Institute should have IIT-like governance structure, instead of UGC mandated governance structure (UGC 2010 Regulations).</p> <p>(ii). Efforts should be made to admit the first batch of students and start classes from July 2015. The admissions will be made based on Central Counseling of candidates who qualify JEE (Mains). The reservation policies as applicable to centrally funded Technical Institutes will also be applicable for IIIT, Lucknow. To begin with, a batch of 60 students will be admitted in the stream B. Tech. (IT).</p> <p>(iii). IIIT, Lucknow will have to get registered with the Central Counseling Board and availability of seats has to be informed. IIIT Allahabad will assist in this process. IIIT Allahabad will assist in the formulation of curriculum.</p> <p>(iv). Ideally, the new Institute should start in its own premises (albeit temporary) with its own teaching faculty. However, locating a temporary campus as well as recruiting the seed faculty will take some time. Till then, at least for the first batch, IIIT, Allahabad was requested to host the IIIT,Lucknow students in its own premises and teach them making use of IIIT Allahabad faculty.</p> <p>(v). The IIIT Allahabad members in the meeting pointed out that taking care of another 60 students in IT will prove to be very difficult to manage for IIIT, Allahabad if its current commitment of 90 students per batch continues for the Amethi Campus. If IIIT Allahabad is required to take care of IIIT,Lucknow intake, then the MHRD should be requested to permit reducing the Amethi Campus intake of IIIT Allahabad suitably. Shri Mittal also raised the issue of compensating IIIT, Allahabad from the tuition funds of IIIT,Lucknow till the time the former teaches the students of the latter.</p> <p>It was informed that all issues pertaining to establishment of IIIT,Lucknow including grant of degree will be decided in the next meeting of IIIT Council. The Board approved the intake of 50 students in B. Tech. (IT). It was decided that mentor institute (IIIT, Allahabad) will take necessary action on registration of IIIT, Lucknow with the Central Counseling</p>	<p>(a). No information has been received from the MHRD, Govt. of India regarding grant of degree.</p> <p>(b). Efforts are being made. Details are given in the agenda item no. 3.</p> <p>(c). The issue of compensation to the Mentor Institute is to be decided by the MHRD, New Delhi.</p>

	Board. The necessary inputs and the seat matrix etc., would be provided to IIIT Allahabad. The Board approved that the fee structure of IIIT Guwahati would be adopted by IIIT Lucknow. **MINUTES OF THE 2ND MEETING OF THE 1ST GOVERNING BODY OF IIT LUCKNOW
UTTAR PRADESH HELD ON 27.2.2015 AT 10.00 A.M UNDER THE CHAIRMANSHIP
OF SECRETARY(HE) IN SHASTRI BHAWAN, NEW DELHI**

Item No.1:- Confirmation of Minutes of the 1st meeting of the Society of IIT Lucknow, U.P held on 3.11.2014.

Resolution:- The Board confirmed the minutes of meeting

Item No.2:- Action Taken Report on the Minutes of the 1st Meeting of the Governing Body of the Society of IIT Lucknow

Resolution:- The Board took note of the action taken report.

Item No.3:- Status on starting of Academic Session of the Institute.

A meeting was held on 2nd January, 2015 between Sri Sanjiv Mittal, Principal Secretary, Technical Education, Govt. of U.P. and Director of IIT Allahabad. Points discussed during the meeting is given below:-

- (i) Clarification should be sought from the MHRD regarding the status of the newly formed Institute, especially, through which authority the new Institute will grant degrees, whether it is a Deemed University and if so, whether UGC 2010 Regulations are applicable. It was also observed in the meeting that the new Institute should have IIT-like governance structure, instead of UGC mandate governance structure (UGC 2010 Regulations).
- (ii) Effort should be made to admit the first batch of students and start classes from July, 2015. The admission will be made based on central counseling of candidates who qualify in JEE (mains). The reservation policies applicable to centrally Funded Technical Institutes will also be applicable for IIT Lucknow. To begin with, a batch of 60 students will be admitted in the stream B. Tech (I.T.)
- (iii) IIT, Lucknow will have to get itself registered with the central counseling board and availability of seat have to be informed. IIT Allahabad will assist in this process. IIT Allahabad will assist in the formulation of the curriculum.
- (iv) Ideally, the new Institute should start in its own premises (albeit temporary) with its own teaching faculty. However, locating a temporary campus as well as recruiting seed faculty will take some time. Till then, at least for the first batch, IIT Allahabad was requested to host the IIT Lucknow students in its own premises and teach them making use of IIT Allahabad faculty.
- (v) The IIT Allahabad members in the meeting pointed out that taking care of another 60 students in IT will prove to be very difficult to manage for IIT Allahabad if its current commitment of 90 students per batch continues for the Amethi campus. If IIT Allahabad is required to take care of IIT Lucknow intakes, then the MHRD should be requested to permit reducing the Amethi campus intakes of IIT Allahabad suitably. Sri Mittal also raised the issue of compensating IIT Allahabad from the tuition funds IIT Lucknow till the time the former teaches the students of the latter.

(14) (7)

Resolution:- It was informed that all issues pertaining to establishment of IIT, Lucknow including grant of degree will be decided in the next meeting of IIT Council. The Board approved the intake of 50 students in B.Tech (IT). It was decided that the mentor Institute (IIT Allahabad) will take necessary action on registration of IIT, Lucknow with the Central Counseling Board. The necessary inputs and the seat matrix etc. would be provided to IIT, Allahabad. The Board approved that the fee structure of IIT Guwahati I would be adopted by IIT, Lucknow. Director, IIT, Allahabad may take up the issue of intake of the IIT, Amethi campus with MHRD. The compensation to the Institute would be provided based on well established norms of mentoring institutions as in case of IIT's.
