निदेशक का संदेश

वर्ष 2015-16 की इस अवधि के दौरान प्रो सोमनाथ बिस्वास आईआईआईटी इलाहाबाद के तत्कालीन निदेशक इस संस्थान के मॅटर निदेशक थे। हालांकि 2015-16, 2016-17 और 2017-18 के लिए वार्षिक रिपोर्ट के पहले सेट को एक साथ प्रस्तुत किया जा रहा है (पहली बार होने की वजह से), मुझे प्रो सोमनाथ विश्वास की ओर से 2015-16 की अवधि के लिए संदेश लिखने पर प्रसन्नता है । मुझे विश्वास है कि उन्होंने आईआईआईटी (पीपीपी मोड में) का आरंभ उत्तर प्रदेश के लखनऊ क्षेत्र को कवर करने के लिए किया होगा , जो भारत में एक बहुत बड़ा राज्य है, और उन्होंने खुशी के साथ कहा होगा कि कि उत्तर प्रदेश राज्य को आईआईआईटी इलाहाबाद के अलावा एक और आई.आई आई.टी. का लाभ मिला है।

यह अच्छा है कि नव सृजित आईआईआईटी लखनऊ (पीपीपी) को आईआईआईटी इलाहाबाद से मॅटरिंग मिली है और इस अवधि के दौरान इसे आईआईआईटी इलाहाबाद के परिसर में आराम से समायोजित किया गया था। इसलिए आईआईआईटीएल, आईआईआईटी इलाहाबाद को धन्यवाद देता है। बेतरीन प्रदर्शन करने वाले आईआईआईटी इलाहाबाद द्वारा अत्यंत ही शालीनता से प्रारंभिक प्रेरणा प्राप्त करने के बाद, आईआईआईटी-लखनऊ द्वारा निर्धारित लक्ष्य स्वाभाविक रूप से उच्च हैं और यह हमें यह पूर्ण विश्वास है कि आईआईआईटी-लखनऊ अपनी स्थापना के वर्ष से ही सही दिशा में आगे बढ़ रहा है।

Aide Memoire of the meeting for development of IIT Lucknow.

A meeting was held to discuss the steps to be taken for the development of IIT Lucknow in the office of the Director, IIT Allahabad on 2 January, 2015. The meeting was attended by:

1. Sri Sanjiv Mittal, Principal Secretary, Technical Education, Govt. of Uttar Pradesh
2. Prof. Somenath Biswas, Director, IIT Allahabad
3. The US to Sri Mittal,
4. Prof. G C Nandi, Dean(A), IIT Allahabad
5. Prof. U S Tiwari, Dean(IRP), IIT Allahabad
6. Prof. S Sanyal, Dean(FA), IIT Allahabad
7. Prof. O P Vyas, Dean(R&D), IIT Allahabad
8. Dr. Ashoesh Kumar, Deputy Registrar (A), IIT Allahabad

At the outset Sri Mittal apprised the members of the fact that the Uttar Pradesh Govt. has allocated 50 acres of land in a very convenient location in Lucknow for IIT Lucknow. He further informed the members of the state of finances that are available or could be made available for developing the infrastructure of IIT Lucknow. Thereafter, the meeting discussed the modalities for the development of IIT Lucknow. The following points emerged as a result of the discussions:

- a) Selection of the Chairman, Board of Governors should be completed as soon as possible.
- b) The regular Board of Governors should get constituted after the selection of the Chairman.
- c) Statutes / Recruitment and Service Rules need to be framed for IIT Lucknow. However, since framing these will take some time, the Board may like to adopt IIT Kanpur Statutes and Recruitment and Service Rules for the interim period.
- d) Clarification should be sought from the MHRD regarding the status of the newly formed Institute, especially, through which authority the new Institute will grant degrees, whether it is a Deemed University and if so, whether UGC 2010 Regulations are applicable. It was also observed in the meeting that the new Institute should have IIT-like governance structure, instead of UGC mandated governance structure (UGC 2010 Regulations).
- e) Effort should be made to admit the first batch of students and start classes from July 2015. The admissions will be made based on central counseling of candidates who qualify in JEE (mains). The reservation policies applicable to Centrally Funded

Technical Institutes will also be applicable for IIT Lucknow. To begin with, a batch of 60 students will be admitted in the stream B. Tech. (IT).

- f) IIT Lucknow will have to get itself registered with the central counseling board and the availability of seats will have to be informed. IIT Allahabad will assist in this process. IIT Allahabad will assist in the formulation of the curriculum.
- g) Ideally, the new Institute should start in its own premises (albeit temporary) with its own teaching faculty. However, locating a temporary campus as well as recruiting seed faculty will take some time. Till then, at least for the first batch, IIT Allahabad was requested to host the IIT Lucknow students in its own premises and teach them making use of IIT Allahabad faculty.
- h) The IIT Allahabad members in the meeting pointed out that taking care of another 60 students in IT will prove to be very difficult to manage for IIT Allahabad if its current commitment of 90 students per batch continues for the Amethi campus. If IIT Allahabad is required to take care of IIT Lucknow intakes, then the MHRD should be requested to permit reducing the Amethi campus intakes of IIT Allahabad suitably. Sri Mittal also raised the issue of compensating IIT Allahabad from the tuition funds IIT Lucknow till the time the former teaches the students of the latter.
- i) IIT Allahabad requested Sri Mittal to provide one finance officer and one purchase officer (possibly on deputation) who can look after finance and purchase work of IIT Lucknow, as IIT Allahabad has severe shortage of staff, especially in finance and purchase.

3.	<p>Regarding start of the Academic Session of the Institute, a meeting was held on 2nd January 2015 between Shri Sanjeev Mittal, Principal Secretary, Technical Education, Govt. of U.P. and Director of IIT Allahabad. Following points were discussed in the meeting.</p> <p>(i). Clarifications should be sought from the MHRD regarding the status of the newly formed Institute, especially, through which authority the new Institute will grant degrees, whether it is a Deemed University and if so, whether UGC 2010 Regulations are applicable. It was also observed in the meeting that the new Institute should have IIT-like governance structure, instead of UGC mandated governance structure (UGC 2010 Regulations).</p> <p>(ii). Efforts should be made to admit the first batch of students and start classes from July 2015. The admissions will be made based on Central Counseling of candidates who qualify JEE (Mains). The reservation policies as applicable to centrally funded Technical Institutes will also be applicable for IIT, Lucknow. To begin with, a batch of 60 students will be admitted in the stream B. Tech. (IT).</p> <p>(iii). IIT, Lucknow will have to get registered with the Central Counseling Board and availability of seats has to be informed. IIT Allahabad will assist in this process. IIT Allahabad will assist in the formulation of curriculum.</p> <p>(iv). Ideally, the new Institute should start in its own premises (albeit temporary) with its own teaching faculty. However, locating a temporary campus as well as recruiting the seed faculty will take some time. Till then, at least for the first batch, IIT, Allahabad was requested to host the IIT, Lucknow students in its own premises and teach them making use of IIT Allahabad faculty.</p> <p>(v). The IIT Allahabad members in the meeting pointed out that taking care of another 60 students in IT will prove to be very difficult to manage for IIT, Allahabad if its current commitment of 90 students per batch continues for the Amethi Campus. If IIT Allahabad is required to take care of IIT, Lucknow intake, then the MHRD should be requested to permit reducing the Amethi Campus intake of IIT Allahabad suitably. Shri Mittal also raised the issue of compensating IIT, Allahabad from the tuition funds of IIT, Lucknow till the time the former teaches the students of the latter.</p> <p>It was informed that all issues pertaining to establishment of IIT, Lucknow including grant of degree will be decided in the next meeting of IIT Council. The Board approved the intake of 50 students in B. Tech. (IT). It was decided that mentor institute (IIT, Allahabad) will take necessary action on registration of IIT, Lucknow with the Central Counseling</p>	<p>(a). No information has been received from the MHRD, Govt. of India regarding grant of degree.</p> <p>(b). Efforts are being made. Details are given in the agenda item no. 3.</p> <p>(c). The issue of compensation to the Mentor Institute is to be decided by the MHRD, New Delhi.</p>

	Board. The necessary inputs and the seat matrix etc., would be provided to IIT Allahabad. The Board approved that the fee structure of IIT Guwahati would be adopted by IIT Lucknow. MINUTES OF THE 2ND MEETING OF THE 1ST GOVERNING BODY OF IIT LUCKNOW
UTTAR PRADESH HELD ON 27.12.2014 AT 10.00 A.M UNDER THE CHAIRMANSHIP
OF SECRETARY (HE) IN SHASTRI BHAWAN, NEW DELHI

Item No.1:- Confirmation of Minutes of the 1st meeting of the Society of IIT Lucknow, UP held on 3.11.2014.

Resolution:- The Board confirmed the minutes of meeting.

Item No.2:- Action Taken Report on the Minutes of the 1st Meeting of the Governing Body of the Society of IIT Lucknow.

Resolution:- The Board took note of the action taken report.

Item No.3:- Status on starting of Academic Session of the Institute.

A meeting was held on 2nd January, 2015 between Shri Sarjiv Mittal, Principal Secretary, Technical Education, Govt. of U.P. and Director of IIT Allahabad. Points discussed during the meeting is given below:-

- (i) Clarification should be sought from the MHRD regarding the status of the newly formed Institute, especially, through which authority the new Institute will grant degrees, whether it is a Deemed University and if so, whether UGC 2010 Regulations are applicable. It was also observed in the meeting that the new Institute should have IIT-like governance structure, instead of UGC mandate governance structure (UGC 2010 Regulations).
- (ii) Effort should be made to admit the first batch of students and start classes from July, 2015. The admission will be made based on central counseling of candidates who qualify in JEE (main). The reservation policies applicable to centrally funded Technical Institutes will also be applicable for IIT Lucknow. To begin with, a batch of 60 students will be admitted in the stream B. Tech (I.T.)
- (iii) IIT, Lucknow will have to get itself registered with the central counseling board and availability of seats have to be informed. IIT Allahabad will assist in this process. IIT Allahabad will assist in the formulation of the curriculum.
- (iv) Ideally, the new Institute should start in its own premises (albeit temporary) with its own teaching faculty. However, locating a temporary campus as well as recruiting seed faculty will take some time. Till then, at least for the first batch, IIT Allahabad was requested to host the IIT Lucknow students in its own premises and teach them making use of IIT Allahabad faculty.
- (v) The IIT Allahabad members in the meeting pointed out that taking care of another 60 students in IT will prove to be very difficult to manage for IIT Allahabad if its current commitment of 90 students per batch continues for the Amethi campus. If IIT Allahabad is required to take care of IIT Lucknow intakes, then the MHRD should be requested to permit reducing the Amethi campus intakes of IIT Allahabad suitably. Sri Mittal also raised the issue of compensating IIT Allahabad from the tuition funds IIT Lucknow till the time the former teaches the students of the latter.

(12) (7)

Resolution:- It was informed that all issues pertaining to establishment of IIT, Lucknow including grant of degree will be decided in the next meeting of IIT Council. The Board approved the intake of 50 students in B.Tech (IT). It was decided that the mentor Institute (IIT Allahabad) will take necessary action on registration of IIT, Lucknow with the Central Counseling Board. The necessary inputs and the seat matrix etc. would be provided to IIT, Allahabad. The Board approved that the fee structure of IIT Guwahati would be adopted by IIT, Lucknow. The compensation to the Institute would be provided based on well established norms of mentoring institutions as in case of IITs.
