## **Director's message**

Having passed through the second year 2016-17 under the mentorship support of IIIT Allahabad, the second annual report of IIIT Lucknow (PPP) is now being placed along with the first bunch of three reports from 2015 to 18.

During beginning of the second year, Prof. Somenath Biswas continued as Mentor Director being the Director of IIIT Allahabad. Upon his departure, Prof G. C. Nandi took over the realm of IIIT L as officiating mentor Director in his capacity as the officiating Director of IIIT Allahabad. Very confident that both of them would have expressed that IIIT Lucknow has been finding the roots to establish itself to emerge as a successful institute in the years to come. Prof Anupam Agarwal of IIIT Allahabad as Professor in charge for IIIT L held the responsibility of assuring a quality academic interface between the mentored and mentoring institute. Because IIIT L was receiving the total academic support from IIIT Allahabad, the IIITL has been able to identify the higher expectation in defining the academic standards for itself.

Since the report is being submitted now, I derive the pleasure to compliment and thanks the then mentoring Directors.

**Minutes of the meeting of 5<sup>th</sup> Governing Body of IIT, Lucknow, Uttar Pradesh held on 13.06.2016 at 11:00 AM under the Chairmanship of Secretary (HE) in Shastri Bhawan, New Delhi**

**Item No. 1:** Confirmation of the minutes of the 4<sup>th</sup> meeting of the Governing Body held on August 14, 2015.

**Resolution:-** The Board confirmed the minutes of meeting.

**Item No. 2:** report of the action taken on the decisions taken in the 4<sup>th</sup> meeting of the Governing Body.

**Resolution:** - The Board took note of the action taken report.

**Item No. 3:** Presentation of Progress of the Construction work as per approved building plan and map.

The Government of Uttar Pradesh had nominated UPRNN Ltd. as construction agency for the construction of IIT, Lucknow. But, the Board, after thorough discussion in its second meeting held on 27.02.2015, decided to nominate UPRNN Ltd as Project Monitoring Consultant (PMC) and desired that UPRNN submit a proposal before the Board after the tender process.

Board in its third meeting held on 14.08.2015, went through the bidding process done by the PMC and after observing the bids including bid amount of L1, decided to get the estimate vetted by the CPWD. CPWD vide its letter dated 21.01.2016 returned the estimate informing that it does not do vetting of the estimates prepared by other construction agencies.

Subsequently, the Board in its fourth meeting held on 17.03.2016 decided that estimates prepared by the UPRNN Ltd be got vetted by U.P.P.W.D. and the matter be presented in the next meeting of the board for further action.

In accordance with the decision of the Board, UPRNN, the PMC, prepared the estimate of IIT, Lucknow on the schedule rates of 2015 and presented to the Government of Uttar Pradesh. After vetting of the estimate prepared by the UPRNN, UPPWD finalized the estimate at Rs. 7394.88 lakh including civil and electrical work. Thereafter, Project Formulation and Assessment Department (PFAD) of the State approved the vetted proposal/estimate of UPPWD costing 7394.88 lakh finally to 7403.13 lakh. This has been appraised the State's EFC.

It is to further inform that validity of the L1 bid received earlier for the construction of IIIT, Lucknow against tender process done by UPRNN has been extended by M/s U. P. Developers and Construction Company. Thus, in accordance with the decision of the Board, State Government has taken all necessary actions and got the vetting and approval of the estimate for the construction of IIIT, Lucknow. In this regard, a letter giving complete details has also been written by the Chief Secretary, Government of Uttar Pradesh to the Secretary, Higher Education Government of India.

Board is requested to take necessary decision for the construction of IIIT, Lucknow.

**Resolution:-** The Board deliberated on the issue and decided to approve the award of work to M/s U. P. Developers & Constructions Company who have quoted L1 on the same terms and conditions.

**Item No. 4: Nomination of the Chairperson, Board of Governors of Indian Institute of Information Technology, Lucknow Society.**

**Resolution:-** The Board took note of the position.

**Item No. 5: Any other matter with the permission of the Chair.**

**Resolution:-** As there was no other item for discussion, the meeting ended with thanks to the Chair.

**Resolution:** - The Board took note of the action taken report.

**Item No. 3:** Presentation of Progress of the Construction work as per approved building plan and map.

The Government of Uttar Pradesh had nominated UPRNN Ltd. as construction agency for the construction of IIIT, Lucknow. But, the Board, after thorough discussion in its second meeting held on 27.02.2015, decided to nominate UPRNN Ltd as Project Monitoring Consultant (PMC) and desired that UPRNN submit a proposal before the Board after the tender process.

Board in its third meeting held on 14.08.2015, went through the bidding process done by the PMC and after observing the bids including bid amount of L1, decided to get the estimate vetted by the CPWD. CPWD vide its letter dated 21.01.2016 returned the estimate informing that it does not do vetting of the estimates prepared by other construction agencies.

Subsequently, the Board in its fourth meeting held on 17.03.2016 decided that estimates prepared by the UPRNN Ltd be got vetted by U.P.P.W.D. and the matter be presented in the next meeting of the board for further action.

In accordance with the decision of the Board, UPRNN, the PMC, prepared the estimate of IIIT, Lucknow on the schedule rates of 2015 and presented to the Government of Uttar Pradesh. After vetting of the estimate prepared by the UPRNN, UPPWD finalized the estimate at Rs. 7394.88 lakh including civil and electrical work. Thereafter, Project Formulation and Assessment Department (PFAD) of the State approved the vetted proposal/estimate of UPPWD costing 7394.88 lakh finally to 7403.13 lakh. This has been appraised the State's EFC.

It is to further inform that validity of the L1 bid received earlier for the construction of IIT, Lucknow against tender process done by UPRNN has been extended by M/s U. P. Developers and Construction Company. Thus, in accordance with the decision of the Board, State Government has taken all necessary actions and got the vetting and approval of the estimate for the construction of IIT, Lucknow. In this regard, a letter giving complete details has also been written by the Chief Secretary, Government of Uttar Pradesh to the Secretary, Higher Education Government of India.

Board is requested to take necessary decision for the construction of IIT, Lucknow.

**Resolution:-** The Board deliberated on the issue and decided to approve the award of work to M/s U. P. Developers & Constructions Company who have quoted L1 on the same terms and conditions.
