CORRIGENDUM

Subject: Corrigendum to the Technical Specifications and Extension of Bid Submission Last Date for procurement of 1 Gbps Dedicated Internet Leased Line

Bid Number: GEM/2026/B/8029285

Dated: 11-09-2026

Item Category: Internet Bandwidth and Replication Service — Internet Leased Line (1 Gbps)

Contract Period: 5 Year(s)

Date: 01.10.2026

With reference to the above-mentioned GeM Bid, the following amendments are hereby issued to the Technical Specifications. Additionally, the last date for submission of bids is extended by **10 (Ten) days**. All other terms and conditions of the original bid document shall remain unchanged.

S. No.	Existing Provision	Amendment / Revised Provision
1.	DDoS Detection & Mitigation (minimum 10 Gbps attack protection)	DDoS Detection & Mitigation with minimum 1 Gbps attack protection. Preference shall be given to the Service Provider offering DDoS Detection & Mitigation facility with minimum 1 Gbps attack protection. Bidders providing this facility shall be given preference during technical evaluation, subject to compliance with all other tender requirements.
2.	Fiber connectivity under the existing technical specifications.	The complete end-to-end fiber optic cable connectivity from the Service Provider's Point of Presence (PoP) to IIIT Lucknow (Server Room) shall be laid underground.
3.	Router / CPE and Firewall Compatibility.	In case any additional hardware is installed by the Service Provider at the Institute premises, such hardware shall be compatible with and properly integrated with the Institute's existing Layer-2 (L2) Network Switches and Firewalls. The Service Provider shall be responsible for all necessary configuration, integration, testing, and commissioning.
4.	NMS / LLB installation and monitoring requirements under Clauses 14 and 15	Installation of Link Load Balancer (LLB) is not required under this tender. Accordingly, the provisions specifically requiring installation of LLB shall stand deleted. Uptime, downtime, latency, packet loss, and link failover shall be measured and calculated through an appropriate Network Monitoring System (NMS). The NMS shall be provided either through a Hardware NMS Appliance or an Off-Premises Based Solution, as offered by the Service Provider, to enable the Institute to monitor and generate reports of the aforesaid parameters.
5.	Bid End Date / Time: 03-10-2026 17:00:00 Bid Opening Date / Time: 04-10-2026 17:00:00	Bid End Date / Time: 17-10-2026 11:00:00 Bid Opening Date / Time: 18-10-2026 11:00:00

Note: All prospective bidders are requested to take note of the above amendments and submit their bids accordingly on the GeM portal (www.gem.gov.in) before the revised bid end date and time.

All other terms and conditions of the tender document shall remain the same.
